Good evening ladies and gentlemen and welcome to Cantilever Park for this Pitching In Northern Premier League Premier Division fixture. May I take this

Warrington Town v Nantwich Tn

The Dabbers are the first fellow Cheshire club we have met this season. We have a long history with them and have met more times than any other in this division. I make it this will be meeting number seventy four. They have made a good start to the current campaign although sadly

that has been disrupted further following a positive COVID-19 test on Sunday 4th October following their FA Cup win at home to Barwell. The following two games were consequently postponed. I trust all worked out as well as it could have in the circumstances. They have remained unbeaten in the league, one of just three sides that lay claim to that statistic, FC United and Morpeth being the other two. They have picked up eight points from their four games so two wins and draws. One thing is for sure is that they will provide us with stern opposition. Town might have the edge in the most recent meetings but that counts for nothing as we start again. This match up is a tough one to call for sure. It will no doubt come down to who performs at their best on the night.

We now have a rearranged fixture this coming Saturday when we travel to Lancaster City. The Giant Axe is always a tough place to get a result. City have made an indifferent start to the season and currently sit in fifteenth place, but they have also only played four games, with five points to show for their efforts.

Player news and we can confirm that that forward Iyrwah Gooden has left the club to join NPL N/West Division side Clitheroe.

Gooden, 20, joined on the eve of the new season and came off the bench in the opening day victory over Basford United.

He also appeared as a substitute in the FA Cup game against South Shields but was an unused substitute in the next three fixtures.

At the end of September, he penned a deal with National League North side Chester on a dual-registration basis with the Yellows.

Everyone at the Yellows wishes Gooden, who was sponsored by *Megan Harper*, all the best for the future.

As this is our second consecutive home game, we only have Saturday's visit by Radcliffe on which to reflect. It proved to be a case of job done as far as we were concerned and although the manner and margin of victory may not have been as much as we would hope for, the result most certainly was. Things looked to be going well for us in the first half as we opened up a two goal lead thanks to a Bohan Dixon penalty and a sublime lob from Luke Duffy (pictured). It was Luke's first goal for the club. The second half saw The

Boro' come into the game much more and we were forced to defend for long periods of the half. One goal was conceded but we dug deep and held on to win and maintain our position at the top of the table. Five wins from six is a return everyone would have taken I am sure. It does make us that bit more of a target for opposing sides though, but it is a nice problem to have. The win over Radcliffe also extended their record as the side we have taken most points from in an NPL fixture of the 114 different opponents we have faced., those three taking our tally to 57 from the 33 games played.

The full record against them is as so (P, W, D, L, F, A, Pts, GD).

Saturday's attendance of 476 saw us pass the 2000 aggregate mark from our first five home games this season, the actual figure being 2011. It gives us an average attendance of 402 with just the Whitby game dropping down of all the games played. It was a horribly wet day though and there might also have been a rugby match on TV?

Yesterday saw the FA Trophy 3rd Qualifying Round drawn, which is where we come in. The tie takes place on 31st October. In an ironic twist we have been drawn at home to Lancaster City, whom we also play on Saturday. The full draw features later in this programme.

CUP MATCHES - IN BRIEF - P 17, W 9, D 1 (lost on pens), L7, F 41, A 31

You have to go as far back as 1953/54 for the first time the two Cheshire clubs crossed paths. That was in the Mid Cheshire League and we were of course known as Stockton Heath in those days. Heath won 2-1 at home and 3-0 away. That was not all though as this was complimented by a 6-0

League Cup Semi-final win at Nantwich with Heath going on to win the

competition. That was the start of a long sequence of league meetings that did not end until 1964/65. In 1956/57 Heath won at home 10-2, the biggest score and winning margin ever recorded between the clubs. Our record during those Mid Cheshire days was won fifteen, drawn three, lost six. After a year apart we met again in 1966/67, once more in the Mid Cheshire League drawing 0-0 at home and losing 0-2 away. The following season both games were drawn 1-1 and 0-0. And that was it until 1983/84 when the clubs met for the first time in the NW Counties League. We lost 0-1 at home and won 3-2 away. In 1984/5 we won both games 1-0 and 2-1 whilst in 1985/6 it ended 1-1 and 1-0. A further parting of the ways came about until 1989/90 when we won 3-0 at home and drew 2-2 away. That last match was I think on Easter Monday and proved to be a nightmare for travelling Town fans who had to negotiate the Oulton Park race meeting traffic in addition to the holiday makers and day trippers out on the roads. That was it for league meetings until 1997/98 when the scores ended (Warrington score first) 1-1 and 2-3. In season 2001/02 the scores ended 1-1 at Cantilever Park and 1-0 at Jackson Avenue. In season 2002/03 Nantwich won 3-2 at Jackson Avenue and the sides drew 1-1 at Cantilever Park. The first meeting in 2003/04 was in the Cheshire Senior Cup with Nantwich coming out 3-2 winners after extra time at Cantilever Park. We reversed that score in the Boxing Day fixture at Jackson Avenue. In the final meeting in April the points were shared in a 1-1 draw. We then missed each other for three seasons before Nantwich gained promotion to the UniBond League and in so doing started the season on their new ground at The Weaver Field. A poor Town performance coupled with a good one for Nantwich ensured they would enjoy hosting us that evening. Nantwich led by a single goal at the break but Town fell away as the game progressed eventually losing 3-0. The return game was on Boxing Day and a cracker was witnessed. The spoils were shared in a 2-2 draw but it could have gone either way right up until the final whistle. The convoluted UniBond League season meant we would play the Dabbers for a third time

in the league back at The Weaver Field. This was narrowly shaded by the home team, winning 1-0. Even during those years of absence there were numerous cup matches between the clubs in just about every competition you could imagine. The best of those results were a couple of 6-0's and a 6-1 for Warrington while the Dabbers best result was a 4-0 win. The 2008/09 season would see the sides meet in the Cheshire Senior Cup and for the first time in the FA Trophy at the Third Qualifying Round stage, with Nantwich being then a UniBond Premier Division club. Town fielded seven changes for the Senior Cup match at the Weavers Stadium and were eventually overrun losing 5-0. Ten days later we met again in the FA Trophy 3rd Qualifying Round at Cantilever Park. The Dabbers got the game's only goal five minutes from time. Remarkably we only had to wait one season before we were drawn to meet yet again, this time in the FA Cup 1st Qualifying Round. Town caused an upset when defeating our Premier Division opponents 1-0 thanks to a 4th minute Jimmy McCarthy goal. A few seasons passed before we met again, this time in the Evo-Stik League Premier Division in 2016/17. The first meeting came in September and Town managed to throw away a two goal lead to lose 3-2, with two of The Dabbers goals coming in the last three minutes. You could say that was frustrating! We met again about a month later in the FA Trophy and it was honours to the south of the county once more, Nantwich wining 2-0 here in Warrington. Game three of four that season saw us at Nantwich on the last day of February in a league match. Nantwich scored early with a deflected shot and then the lights went out. Power was soon restored but the strong wind and rain had increased making it rather one way as we struggled to play against the wind. Two long range speculators found the mark with wind assistance and we were up against it from there on in. We came back into it after the break with sub Michael Monaghan pulling one back but Nantwich got a fourth right at the death with a soft penalty. It just was not our day. Game four was two weeks later in the Cheshire Senior Cup semi-final. The sides had never ever drawn a cup game (including extra time) until 2017 but they have now. It ended goalless with Nantwich winning 5-3 on penalties. We did not meet in the league until 7th April in 2017/18 (after a postponement in early March). Town were in second place and hoping for promotion but that chance suffered another blow as we hit a mini slump. We lost 2-1 and our fourth game without a win. Sean Williams got our goal from the spot but we did at least keep second place in the table. We met in the very next match the following Tuesday and in a largely uneventful game shared the points in a 0-0 draw.. Both sides made the odd chance but none found their mark. When we met in 2018/19 both sides we in the promotion hunt but in late October there was still a long way to go. The Dabbers won 2-1 as Town had lost a little form briefly. Adam Hughes scored for Town to threaten a comeback, but it was not to be. The return game on February 23rd and was 2nd v 4th with both team pushing for automatic promotion. In a real nail biter The Dabbers led 1-0 and 3-1 (Mark Roberts) before we pulled done back shortly before half time (Josh Amis). Town battled hard to get an equaliser and made it in the fourth minute of added time thanks to Tony Gray to end at 3-3. The point was enough to take us to the top of the table. Our most important game in the history of these two clubs came on 30th April as Town (3rd) took on Nantwich Town (4th) in the Evo-Stik League Play-off Semi Final. Town played really well but trailed to a Dabbers goal up to about an hour. Ben Garrity drew us

level and then gave us the lead with two similarly placed headers. Lloyd Allinson then scored an own goal as a Jack Dunn free kick hit the bar, bounced down and in off the stranded Nantwich keeper. Tony Gray scored a sweet goal near the end to round off a fantastic evening for the Warringtonians. A fantastic crowd of 1424 created a great atmosphere and mostly enjoyed this result. It was game number six when we met in 2019/20 with both sides having lost just once and sitting near the top end of the table. We were down on number due to injuries but put in a solid display. David Raven gave us a well worked lead. Matty Chadwick doubled it after the break from the spot. The Dabbers pulled one back but Josh Amis sealed our first win at The Weaver Stadium a minute from time in a 3-1 win. The return game at the end of November produced an identical score and a first double over The Dabbers for a good few years. Mark Roberts gave us an early lead that was soon doubled by Ben Garrity. Sean Cooke pulled one back within a minute. Bohan Dixon settled affairs with a second half strike to earn us three valuable points. Come on Town! Paul R

Introducing... Nantwich Town FC

Nantwich Town Football Club were founded back in 1884. The club took up residence at the football pitch off London Road with the Leopard Inn as its headquarters and changing rooms. The club's early years were spent playing friendly and cup matches but in 1891 the club joined the Shropshire & District League, finishing as runners-up in their first season.

Nantwich moved into the stronger Combination League the following season. On 15 October 1892 they hosted Liverpool in the Merseysiders' first ever FA Cup match (Liverpool won 4-0).

After the First World War, the club became founder members of the Cheshire County League in which they were perennial strugglers. In 1921, a record home attendance of 5,121 watched the Dabbers play Winsford in the Cheshire Senior Cup at the club's temporary home at the old cricket ground at Kingsley Fields. Ironically, this is the location of the new club's new Weaver Stadium.

The club gave Freddie Worrall his first chance in senior football in April 1927. The youngster going to become a pre-war England international as well as playing in two FA Cup finals for Portsmouth.

Success for Nantwich though came in the Cheshire Senior Cup in 1933 when the Dabbers lifted the trophy. They beat ICI (Alkali) 1-0 in the final. After the Second World War, the Dabbers joined the newly founded Mid-Cheshire League and in 1952, the club entered the inaugural FA Youth Cup competition. Drawn against Manchester United in the Second Round, the young Dabbers crashed 23-0 on a November evening at the Cliff training ground. United's youth line up including names such as Duncan Edwards, David Pegg, Albert Scanlon and Ron Cope.

In the 1963/64 season the club completed a treble, winning the Mid-Cheshire League, League Cup and Cheshire Amateur Cup. This was under manager Alan Ball (senior) and Nantwich re-joined the Cheshire League for the 1968/69 campaign. In 1976 the Dabbers beat NPL champions Runcorn 5-4 in the Cheshire Senior Cup final at Crewe in front of 2,237 supporters. Five years later in May 1981, a crowd of 1,078 saw Nantwich clinch the Cheshire League title by beating eventual runners-up Hyde United in the penultimate game of the season 2-1.

The previous season had seen Nantwich blood a lanky 19-year-old who had been signed from Whitchurch Alport. His name was Jimmy Quinn and he went on to play football at the highest level with Blackburn Rovers and West Ham United. He went on to gain 48 caps for Northern Ireland, becoming the fourth highest scorer in his country's international history.

A new era in the North-West Counties Football League

1982 saw Nantwich become founder members of the North West Counties Football League. Unfortunately, Nantwich had the unenviable honour of finishing bottom in the league's first season and were relegated to Division Two. They remained there (except for one season in Division 3) until 1989 when they were promoted to Division One. Ex-Stoke City midfielder Nigel Gleghorn was appointed manager in November 2001 and the club also attained the prestigious FA Charter Standard Community Club award. Gleghorn left the club in the 2004 close season and former Crewe, Burnley and Barnsley defender Steve Davis was appointed as head coach.

Success in the FA Vase

Davis led Nantwich to FA Vase glory in 2006 when the Dabbers beat Hillingdon Borough 3-1 in the final at Birmingham City's St Andrews Stadium. Andy Kinsey hit two goals in the final – and hit the headlines when he dislocated his shoulder celebrating the second! John Scarlett, the club's post-war leading scorer with 161 goals, made a cameo appearance as a substitute in the same game. The following season (2006/07) saw the club finished third in the North West Counties League and were promoted to the Northern Premier League First Division South as a result. That season was also the

last at the club's 123-year old Jackson Avenue home. Promotion was a fitting send off to the historic stadium and a crowd of 1,071 saw the club win 5-2 against Squires Gate in the last ever game at the stadium.

The club moved in the summer of 2007 into its new home, the Weaver Stadium, ahead of the 2007/08 season. Progress continued on the pitch that season, with the club winning their first Cheshire Senior Cup in 32 years. In the final, the Dabbers played Conference Premier side Altrincham and won 4-3 on penalties. The season got even better as the Dabbers won back-to-back promotions, finishing third in the league and again entering the Play-offs. They beat Grantham 2-1 in the Semi-Finals and then beat Sheffield FC in the Final, winning 4-1 on penalties after the game finished 2-2.

The 2008/09 season was another successful year as the Dabbers finished third in the NPL Premier Division, their third successive third placed finish. However, they were beaten in the Play-offs, losing 2-1 to Ilkeston Town in the Final and narrowly missing out on three successive promotions. They also reached the Cheshire Senior Cup final again, but Altrincham got their revenge. They beat the Dabbers 3-0 and shortly afterwards, Steve Davis left the club and was appointed as assistant manager at Crewe Alexandra.

Davis' assistant Peter Hall, a former Nantwich and Macclesfield striker, stepped up to take over as head coach for the 2009/10 season. But after briefly topping the table, he parted company with the club in March 2010 after the Dabbers slipped to fifteenth in the league. Senior players Kevin Street and Darren Tinson took over the reins, lifting the club to tenth place and they were confirmed as joint-managers during the close season. The 2009/10 was a particularly special season for the Dabbers as it was the 125th anniversary of their founding. The club even released a special badge to commemorate the occasion.

Jimmy Quinn the former Reading, Bournemouth, West Ham and Northern Ireland striker was appointed manager in March 2011.

The 2011/12 season saw the club embark on its most successful run in the FA Cup, reaching the First Round Proper for the first time in the club's history. Victories over Ramsbottom United, Northwich Victoria, Kendal Town and Nuneaton Town gave Nantwich an enticing tie at Milton Keynes. Although the Dabbers went down 6-0 on the day, their brave performance earned many plaudits. The club also won their second Cheshire Senior Cup in four years, beating Stalybridge Celtic to pick up their fourth honour in the competition.

When the club parted company with Quinn in March 2013, Darren Moss had a spell as caretaker manager as the Dabbers finished the season in fourteenth place in the 2012/13 season. Danny Johnson was appointed manager ahead of the 2013/14 campaign and the former Ashton United boss quickly named Earl Davis as player/assistant manager. They finished nineteenth that year.

For the 2014/15 campaign, former Stalybridge Celtic striker Phil Eastwood stepped up from his role as coach to replace Earl Davis as assistant manager. But following a poor run of results and with the club fighting relegation, Danny Johnson was relieved of his duties in early February 2015. Former player Phil Parkinson was appointed the new manager on 04 February 2015. Parkinson had become a club hero during his time as a player. He was part of the side Nantwich Town to FA Vase victory in 2006 and had been an integral player of the team as they won back-to-back promotions only a few years earlier.

FA Trophy adventure and Play-off heartache

Parkinson appointed Neil Sorvel as assistant manager, Danny Griggs as first team coach and Chris Parkes as goalkeeping coach. The management team turned things around in the second half of 2014/15 season. They gained enough points to remain in the NPL Premier Division relatively comfortably with a few games remaining.

Parkinson and his management team were able to develop and build upon the strong end to the '14/15 season with an excellent 2015/16 season. They started the season in terrific form, scoring an incredible 41 goals in their first 12 games. They also picked up 24 from a possible 36 points from the

first two months of the season. They carried their good league form over into the cup competitions, progressing to the FA Trophy First Round with wins over Salford, Kings Lynn and Stockport.

The Dabbers league form took a slight dip in January and February, but their FA Trophy run kept going. They progressed past Ashton, Matlock and Stourbridge to reach the Quarter-Finals of the competition for the first time in their history. In front of a crowd of 892 at the Weaver Stadium, the Dabbers beat Conference Premier side Dover 2-1 with a late winner from Liam Shotton to progress to the Semi-Finals. This meant they were sitting just two games away from a trip to Wembley.

In the Semi-Final, they faced FC Halifax over two-legs and gave it their all, but came up short, losing 6-4 on aggregate. The first-leg at home attracted a bumper crowd of 2,078, a record for the club at the Weaver Stadium. It was a fantastic effort and run from 'Parky's' side and one they can feel immensely proud of. The team finished the league season strongly, losing just three of their last 14 games, but were unable to make up the ground on the Play-offs, finishing a more than respectable eighth with 75 points. They also scored an incredible 94 goals, the second highest total in the league behind only league champion's 1883 Darlington.

The club enjoyed a fantastic 2016/17 season. In the cup competitions, they reached the Fourth Qualifying Round of the FA Cup for just the third time in their history. They also made it to the First Round of the FA Trophy but lost to Lincoln City. Meanwhile in the Cheshire Senior Cup, they made it all the way to the final and finished as runners-up to Crewe Alexandra, losing 3-2 at Gresty Road.

In the league, they had an excellent run which led to them finishing fifth on 81 points, their highest finish in eight years. They made the Play-offs but went on to lose 2-0 to Spennymoor Town in the final. They nevertheless had an outstanding campaign and looked to build upon that going into the 2017/18 season, though there was hurdles to overcome before they reached the new campaign.

The summer of 2017 saw manager Phil Parkinson depart the club to join Altrincham, as well as a number of the key core to the squad moving on to pastures new. The board appointed Dave Cooke ahead of the 2017/18 campaign, who was quick to bring in plenty of additions to replenish the first-team.

New era under Dave Cooke

While the Dabbers' league form was inconsistent throughout the season, Cooke brought plenty of success in cup competition, guiding the club to the First Round Proper of the FA Cup for only the second time in their history, where they fell to Stevenage in a 5-0 defeat at the Lamex Stadium, a result that observers believed was very harsh on the men in green. Additionally, the Dabbers won the Cheshire Senior Cup for the first time since 2012 with a 3-0 defeat of Stockport Town.

The 2018/19 season saw Nantwich present their ambitions from the get-go, as they put together a strong run of form in the first half of the campaign, topping the table over the Christmas period. However, there were several clubs with games in hand on Dave Cooke's side, and the Dabbers couldn't hold onto their top spot.

The club eventually finished fourth, their highest finish since 2007/08. However, they fell in the Play-off Semi-Final to Warrington Town at Cantilever Park.

Despite the league season ending in disappointment, the Dabbers did get their hands on some silverware, as they claimed their second consecutive Cheshire Senior Cup with a 5-2 victory over Cammell Laird. The run consisted of impressive victories against Crewe Alex at Gresty Road and wins at home against Chester FC and National League North champions Stockport County.

In the 2019/20 season, Nantwich Town once again made the First Round Proper of the FA Cup, beating two sides from a higher level in the National League North. Nantwich finally had a home tie for the first time ever in the First Round against old rivals AFC Fylde, in a tightly contested game Nantwich were very unfortunate to lose the match 1-0 in front of a crowd of 1,544. Unfortunately, the season was null and voided in March 2019 with the Dabbers in a health league position and looking set to make it to the Play-offs for the second season in succession.

Report (James Gordon)

Town 2 Radcliffe 1 Pitching In NPL Premier Division

Saturday 17th October 2020

WARRINGTON Town returned to winning ways with a 2-1 victory over Radcliffe at Cantilever Park.

They had to survive a second half onslaught from the visitors though, who peppered the Yellows goal after the break with goalkeeper Charlie Albinson called in to action on several occasions, either side of Jean-Louis Akpa Akpro's strike.

In the end, the two goal advantage built up in the first half was enough for the hosts, earned through a Bohan Dixon penalty following a handball, and Luke Duffy's fine goal five minutes before half-time.

It was an important win for the Yellows, who would have been disappointed with not only the result but their performance in the 3-2 reverse at Mickleover last week, their first defeat of the season.

The line-up was shuffled, the suspended Scott Brown sent off in that defeat, starting his suspension meaning Michael Rose returned to his more familiar role in the centre of midfield, with recent signing Matthew Taylor taking the left-back berth. Mitch Duggan also made his first start of the season in place of James Baillie at right-back.

Josh Amis forcing a corner in the very first minute set the tone for what was an open game throughout, and the Yellows went close on seven minutes when Cameron Belford denied Jack Mackreth.

After a succession of corners, the early Yellows pressure told when Mark Roberts' header across goal from a corner was handled by a defender for a penalty, and Dixon stepped up to send Belford the wrong way for 1-0.

Bohan Dixon scores Picture by Darren Murphy

The game went in to a lull in the middle period of the first half, and was only woken up again by two unsavoury incidents that saw Belford unpunished for appearing to lash out at Mackreth, and then Radcliffe 'skipper Matthew Crothers was booked for a diving tackle on Taylor.

Amis had the ball in the net on 38 minutes, though only after being penalised for a push, but the Yellow's didn't have to wait much longer for a second.

Dixon went on a rangy run through midfield and released Amis, with Belford rushing out to beat him to the ball at the edge of the box, only clearing the ball as far as Duffy. Duffy, who had earlier tried a speculative effort in not too dissimilar circumstances but from 20 yards further back, this time measured his shot perfectly, as it dipped just under the crossbar and above the retreating defenders with Belford stranded.

Two was very nearly three a minute later when some lovely football down the right opened Radcliffe up, Mackreth finishing nicely from a tight angle only to be denied by the linesman's offside flag.

Albinson had been untroubled in the first half, and it remained that way until half time – but only thanks to a superb Roberts block on Akpa-Akpro's shot and then Andrew Owens' glancing a header wide from a free-kick.

Radcliffe made two substitutions around half time and they came out a different team, laying siege to the Yellow's goal.

It took two minutes for Albinson to be forced in to his first save, adjusting his body well to deny Akpa-Akpro's deflected effort, and then he parried away a Larnell Cole shot from the left.

For the first 15 minutes of the second half, it was almost Radcliffe against Albinson as the 'keeper also denied Kole Hall's header, pushed behind a fizzing shot from Simon Lenighan and then watched Luca Navarro's nicely guided shot come back off the post. Although their own goal was leading a charmed life, the Yellow's could have wrapped up the points on the hour mark, as Amis just couldn't get enough of a contact on Dixon's ball to beat Belford, the 'keeper just doing enough to snuff out the danger with his feet, and then he was well placed to catch a Duffy shot minutes later.

The visitors finally got their goal on 66 minutes, a whipped cross from the right by Jonathan Royle was steered home by Akpa-Akpro to make it 2-1 and it was very much game on.

Navarro, who was introduced seconds before the half-time whistle, was lively for Radcliffe and their play was being dictated by former Yellow's midfielder Lenighan.

The Yellow's were dropping deeper and deeper, though they weren't conceding as many openings, with Radcliffe restricted to a number of corners as time ticked on.

Thomas Miller had the most glorious of chances, heading over the bar from barely yards out after a corner had slipped through the grasp of Albinson, while at the other end, Jordan Buckley was denied by the legs of Belford.

A third goal was not needed in the end, as Radcliffe's pressure was in vain – Warrington maintaining their spot at the top of the Northern Premier League table with a 2-1 win.

The international break very rarely affects Non-League clubs, but Non-League is increasingly influencing the international scene.

Each season we see more players deservedly earn moves into the Football League – and some even go on to reach the absolute peak.

Over the last seven months the football pyramid has become even more divided, with 'Project Big Picture' now trying hard to increase the gap, but the importance of lower-league clubs to the product on the pitch has never been more obvious.

Six players in Gareth Southgate's latest England squad have had stints in Non-League and there were five in the side Ryan Giggs picked for Wales when the two teams met last week.

Nick Pope started the friendly fixture at Wembley having begun his career in the Eastern Counties League with Team Bury before progressing to Bury Town in the Isthmian League.

Following his move to Charlton Athletic, Pope went on loan to Harrow Borough, Welling United, Cambridge United and Aldershot Town for more crucial experience of first team football.

The back-up England keepers against Wales, Jordan Pickford and Dean Henderson, are also no strangers to Non-League. Pickford had loan spells at Darlington and Alfreton Town while Henderson played in goal for Stockport County just over four years ago when they were in National League North. He's also pushing to become Manchester United's number one.

Centre-back Tyrone Mings impressed in senior football at Yate Town and Chippenham Town in the Southern League before a successful trial at Ipswich Town forged the start of his top-flight career.

Dominic Calvert-Lewin made his England debut, and scored, in the 3-0 win over Wales. A debut goal was nothing new to the Everton striker, as a 17-year-old he bagged on his first appearance for Stalybridge Celtic against Hyde on Boxing Day when Sheffield United sent him out for game time. On New Year's Day, in the reverse fixture, he scored twice and set up three.

Danny Ings also got in on the act at Wembley, scoring his first goal for his country via a bicycle kick. Ten years ago, he was netting in Non-League at Dorchester Town on loan from Bournemouth.

Many others in the England squad either started or showed their talents in the lower reaches of the Football League before stepping up into the Premier League spotlight.

Non-League football and its clubs play a vital role in developing players just as much as the top-flight academies – every player has a different path and their roots should not be forgotten.

The Daniel Wilkinson Foundation is a charity set up in memory of Daniel Wilkinson who died in 2016 aged 24, while playing the game he loved, from an underlying heart condition called Arrhythmogenic Right Ventricular Cardiomyopathy (ARVC).

Dan played football from an early age and joined Hull City AFC when he was 10, earning a professional contract aged 18. Loughborough University followed where he completed a degree in Accounting and Financial Management while playing non-league football. He was an athlete who enjoyed the gym and took his health and nutrition very seriously. He lived life to the full and had so much ahead of him.

Other than feeling light-headed on a few occasions in the month before he died, he had no symptoms!

SUDDEN CARDIAC DEATH IN THE YOUNG (SCD)

- SCD is the leading cause of death in young athletes during sport and the majority of deaths occur with NO SYMPTOMS or family history.
- ARVC can be found in one in every 1,000 to 5,000 young adults - IF IT IS LOOKED FOR.
- Warning signs may include light-headedness, fainting, palpitations, swollen legs, breathlessness.
- Every week in the UK, 12 apparently fit and healthy young people (aged 35 and under) die from previously undiagnosed heart conditions.
- In Italy, where screening is mandatory for all young people engaged in organised sport, they have reduced the incidence of young sudden cardiac death by 89%.

OUR MISSION

The Daniel Wilkinson Foundation has been set up to raise awareness of SCD and to provide funding towards heart screening, defibrillators and CPR/defibrillator training primarily for grass-roots sporting teams.

Tragedies can be prevented through cardiac screening. It is vital that young people are identified and treated.
